SUPERVISION REQUIREMENTS (OAC 38:10-9-2, 38:10-9-4, 38:10-9-5)
- Both supervisors and supervisees must submit supervision logs to the Board by the dates indicated above.
- Both supervisors and supervisees must maintain records of supervision, including logs, evaluations, and supporting documentation verifying the information reported on the logs. The supporting documents shall be submitted to the Board upon request.
- If a supervision session has not been held for more than two consecutive weeks the supervisee and supervisor must notify the Board. The supervisee must stop providing counseling services until supervision resumes.
- If supervision is terminated by either the supervisee or the supervisor, the termination must be reported to the Board within three business days of the termination.
- The application of a supervisee whose supervision was terminated is inactive. The applicant may not provide counseling services until he/she has received written notice from the Board that a new supervision contract has been approved and the application has been returned to active status.
- For all supervision contracts approved by the Board on or after September 21, 2014, involving supervisees who provide community or home-based services, the supervisor must conduct at least 6 direct observations of the supervisee’s counseling sessions at the site of the counseling session. The observations must be made periodically throughout the period of supervised work experience at least once every other month. The observations shall be documented on the Direct Observation Form and submitted to the Board.
